accepted	Manitowoc	Lincoln High School			

Please arrive dressed and ready to play with the exception of your volleyball shoes. Athletes are expected to wear knee pads at every event and will not be allowed to play without. Please remember to bring a water bottle, healthy small snacks and money for concessions.

Eating healthy and staying hydrated all week is important to play at your best. Make sure you eat breakfast at least one hour before competing. Even if you are not hungry it is important to fuel the fire.
